

Here is what I found for alternate hotels that are closeby and reasonable in price... I did a search for "Hotels near the Orlando Airport." The map on page 2 below represents the result. The Renaissance, our confrence hotel, is at the top in the middle. To give you an idea of walking distance from the Renaissance to TGI Friday's directly below the Renaissance is a 10 minute walk. There are six hotels within walking distance of 5 – 20 minutes. Across Semoran Boulevard, there are six more hotel options that are still walkable to the Renaissance, but can be driven in under five minutes. It is understood that you will have to take a ticket to park in the Renaissance lot, however, FPELRA has obtained agreement from the Renaissance that this parking fee will be waived. If you have other questions that I have not answered, please don't hesitate to call me at 954-580-7839.
